The Court hereby adopts the following administrative order.

(A) The Court Clerk shall not publish on the Choctaw Nation's Judicial website, including any Court sponsored case search portal (hereinafter defined as "Court's Website"), any document that contains a charge involving rape, sodomy, sex crimes, sexual images, lewd or indecent conduct, pornography, child abuse or neglect, domestic abuse, kidnapping, extortion of a vulnerable victim, human trafficking or similar offenses (hereinafter defined as "Protected Information.")

(B) It shall be the responsibility of the Choctaw Nation Prosecutor's office to advise the Court Clerk's office upon the filing of a case that contains Protected Information by noting in the "Comments" section of Odyssey the following: "This case must be protected pursuant to AO-2022-8." Any party filing subsequent documents in a case designated as containing "Protected Information" must continue to note in the "Comments" section of Odyssey that the filing contains "Protected Information" so that the Clerks may secure the pleading from public access on the Court's Website.
